PROFESSIONAL EXPERIENCE:

Freelance Web Developer

January 2017 – Present

Web Developer

- Able to build a Web presence from the ground up – from concepts to models, navigation, layout and programming
- Develop and research project concepts and maintain optimal work-flow
- Complete detailed programming and development tasks for the front-end of websites as well as back-end server code to ensure easy to use and retrieve information
- Carry out quality assurance tests to isolate and remove any errors and optimize performance

Sanagan's Meat Locker

March 2016 to January 2017

Butcher

- Maintaining high quality standards and safety through the execution of company policies and guidelines
- Effectively communicated expectations of standards and procedure to team members, increasing efficiency in work and sales
- Responsible for maintaining the presentation of the display cases in-store
- Meeting specific customer requests for special orders, and assisting customers with suggested cooking recipes and methods

Bar Isabel

June 2015 to March 2016

Chef de Partie

- Voted 8th Best Restaurant in Canada during time of employment
- Developed new menu items and specials
- Opening and closing of multiple cooking stations
- Lead a team to meet daily production deadlines for food preparation, service and nightly menu items
- Carried out a variety of tasks that changed daily to meet service standards

PERSONAL INTERESTS:

- *Professional Musician:* Passionate about growing my skill set on a variety of instruments. Regularly playing in a variety of bands ranging from Jazz & Funk to Garage Rock. I played the Vancouver International Jazz Festival in 2009
- *Avid Record Collector:* I love to spend my free time digging through crates at local record shops searching for hidden gems.
